Important Info:

Why our Entrees are Essential: After a long day of festivities, guests are usually pretty hungry, so our entrée options ensure everyone gets a delicious snack while they wait for the pizza party to start! Since we can only cook so many pizzas at once, not everyone will be able to eat immediately. But don't worry – we've got you covered, and no one will leave hungry!

Extra Staff & Ovens (as needed): When the party calls for it, we bring in extra cooking staff and ovens to keep the pizzas coming fast and fresh, ensuring a fast and unforgettable pizza experience!

Travel Fee: Just a heads up – a travel fee may apply depending on your event location.

Wait Staff Recommendation: While we're all about bringing the pizza party and delicious bites, we **don't provide our own wait staff**. For all seated weddings and cocktail style weddings with more than 60 guests, we **strongly recommend** organizing dedicated wait staff to ensure everything runs smoothly. They'll help with serving, clearing, and making sure your guests have everything they need – so you can focus on enjoying the celebration! Trust us, it makes a world of difference.
